

# THE RETENTION PROBLEM

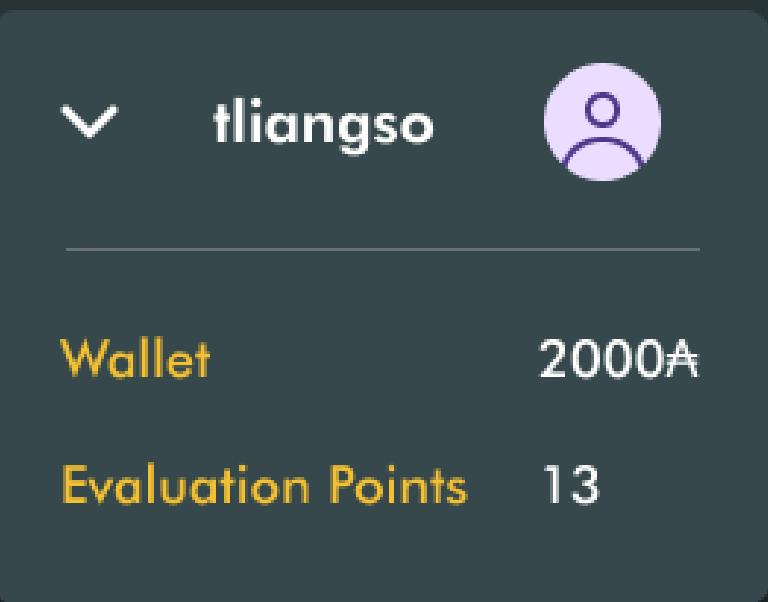

The image consists of two photographs. The top photograph shows two men wearing yellow hard hats, one white and one grey, working at a computer in an office setting. The bottom photograph shows a group of four people, three men and one woman, smiling and looking at a computer screen. The screen displays a block of code. In the background of both photos, there is a wall with a large '42' logo and the text 'NICE Région'.
